BACKGROUND AND EXPERIENCE	
	<p>The Alrahallah Theater Berlin Association is open to all cultures, religions, sexual orientations and democratic-political views. Accordingly, the recognition and appreciation of difference and diversity of all life plans is the highest guiding principle of the association.</p> <p>In addition, we promote democratic cooperation and basic democratic values. The teaching of values and behavior that promote peaceful and non-violent as well as</p>

	<p>selfdetermined and co-determined coexistence is a central component of the association's work. These include, for example, tolerance, solidarity and the willingness to accept responsibility. Accordingly, emancipation and participation are also the goals of our work.</p> <p>This also means that our association values neutrality in regards to political parties. Our idea is to cooperate with all parties that show an interest in cooperation - regardless of their political orientation. The only exceptions here are right-wing extremist and right-wing populist parties.</p> <p>Extremists of all kinds try to divide peaceful coexistence in societies through fear and distrust. They incite hatred and call for violence - and it is mainly young people who they reach with their inhuman, anti-democratic propaganda. This also applies to our city. In order to protect our young people from extremist influences and to actively deal with, prevent and combat inhuman, anti-democratic tendencies and developments in Berlin, politics and civil society are called upon to engage in more intensive dialogue with one another and to reject all forms of group-related enmity such as racism, anti-Semitism and Islamophobia.</p> <p>The aim is to isolate and marginalize the enemies of democracy. They need to know that they don't stand a chance in our city and our country if they incite hatred and violence .</p>
<p>What are the activities and experience of the organisation in the areas relevant for this application?</p>	<ul style="list-style-type: none"> ● Pedagogic theater work ● Education non formal ● Body language communication Training for Professionals and non professionals ● Intercultural leadership ● Intercultural Theater Productions / Street Theater/ Social Theater ● Organizing Theater Festivals for Children ● Producing Films for Children and Teenagers
